4 Read the text and choose the correct sentences based on it.

15

In many countries around the world, street food is very popular. In India, you can get different kinds of curry made with meat or vegetables and lots of chilli. On the streets of Thailand, you can get fish soup, omelettes, rice, or noodles. Mexico is famous for its wonderful tacos served with salsa made of green onions, cucumber, and tomatoes. In many ways, street food is better than restaurant food. It's much cheaper, and you know it's fresh because you watch the chef cook it in front of you.

1. a) Street food is only popular in Europe.
b) Street food is popular in many countries around the world.
2. a) You can eat tacos in Mexico.
b) You can eat tacos in India.

15

The modern computer was Charles Babbage's idea. The machine he wanted to build was called a 'difference engine'. Ada Lovelace was the first computer programmer. She had the idea for 'software' - a way of telling a computer to do different things. From the 1950s, computers got smaller, faster, and cheaper. Today, the smallest mobile phones have more memory than the biggest early computers. However, they are not perfect. One of the worst problems is computer viruses.

1. a) Charles Babbage built the first modern mobile phone.
b) Charles Babbage had the idea for the modern computer.
2. a) Ada Lovelace was the first computer programmer.
b) Ada Lovelace was the first person to build a difference engine.
3. a) In the 1950s, computers became smaller and faster.
b) In the 1950s, computers became bigger and more expensive.
4. a) Early computers had more memory than today's mobile phones.
b) Today's mobile phones have more memory than early computers.
5. a) Computer viruses are one of the worst problems today.
b) Modern computers are absolutely perfect and have no problems.

READING

4 Read the text and choose the correct sentences based on it.

15

In the past, people didn't need sports like running to stay healthy because they were very active. But these days, many of us spend most of the day sitting down. This means we need to get some exercise in our free time, and running is a cheap and easy way to do it. It's more fun than doing boring exercises in a gym, and all you need is a good pair of trainers. Running improves the health of almost every part of your body.

1. a) People in the past spent most of the day sitting down.
b) People today spend most of the day sitting down.
2. a) Running is a cheap and easy way to exercise.
b) Running is a very expensive sport.
3. a) You need very expensive equipment to go running.
b) You only need a good pair of trainers to go running.
4. a) Running improves the health of your body.
b) Running is bad for your body.
5. a) The writer thinks running is more fun than gym exercises.
b) The writer thinks gym exercises are more fun than running.

WRITING

5 Write a short paragraph to give advice to your friend who has a bad cold and a temperature. Use *should* and *shouldn't*. (Write 40-50 words).
