They _____ bamboo.

- a) are eating b) eat c) eats

READING

4 Read the text and choose the correct sentences based on it.

15

Our planet is a beautiful and changing place. Scientists believe the Earth is 4.6 billion years old. There are many amazing natural places to visit, like Yellowstone National Park in the USA. It is one of the oldest national parks, and park rangers work hard to protect the animals and plants there. The world is also full of interesting animals. For example, giant pandas live in the mountains of China and they usually eat bamboo. Young people today can learn about nature and develop new skills by joining the Duke of Edinburgh's Award. It has 4 parts: volunteering, fitness, skills, and an expedition.

1. a) The Earth is 10 million years old.
b) The Earth is 4.6 billion years old.
2. a) Yellowstone is a national park in the UK.
b) Yellowstone is a national park in the USA.
3. a) Park rangers protect the animals and plants.
b) Park rangers hunt the animals.
4. a) Giant pandas eat meat.
b) Giant pandas eat bamboo.
5. a) The Duke of Edinburgh's Award has 4 parts.
b) The Duke of Edinburgh's Award has 2 parts.

6. Did Paula like her new home?

Yes, _____

- a) she did b) she liked c) she was

READING

4 Read the text and choose the correct sentences based on it.

15

Holidays are a great time to relax. Some people like going to the beach, while others prefer visiting cities like Moscow or London. When you travel, you can go by plane, train, or coach. Accommodation is also important. Some people stay in hotels with tourists, while others like strange houses. For example, there is a house in Lebanon shaped like a plane! Paula and Gary didn't like their normal house, so they bought an old lorry and made it into a new home.

1. a) Moscow is a city.
b) Moscow is a beach.
2. a) You can travel by plane, train, or coach.
b) You can only travel by plane.
3. a) A strange house in Lebanon is shaped like a boat.
b) A strange house in Lebanon is shaped like a plane.
4. a) Paula and Gary bought an old lorry.
b) Paula and Gary bought a new house.
5. a) Paula and Gary made the lorry into a home.
b) Paula and Gary sold the lorry.

a) good b) well c) best

6. My brother likes music class _____.
a) best b) better c) good

READING

4 Read the text and choose the correct sentences based on it.

15

Schools in Finland are very interesting. Finnish students don't start school until they are seven years old. The school day is short, and they don't have much homework. Instead of just studying subjects like maths or history separately, they often do projects. For example, they might study "the weather" and learn science and geography at the same time. Some students around the world don't go to normal schools. They are homeschooled. This means they learn at home with their parents or online.

1. a) Finnish students start school at age seven.
b) Finnish students start school at age five.
2. a) The school day in Finland is very long.
b) The school day in Finland is short.
3. a) Finnish students have a lot of homework.
b) Finnish students don't have much homework.
4. a) Finnish students only study separate subjects.
b) Finnish students often do projects.
5. a) Homeschooled students learn at home.
b) Homeschooled students learn in normal schools.

WRITING

5 Write a short description of your perfect school. Mention where it is, what lessons you have, and the school day. (Write 40-50 words).
