A) job B) work  
C) employ D) employment

Nowadays, in England, tea is quite the most popular, and also the cheapest, of all drinks. People drink their tea in different ways. Some like it with sugar, some without. Some drink it with milk, some with lemon; yet, one way or another just about everyone drinks tea. This, however, has not always been the case. During the last century, when tea was very expensive, it was kept locked up, and the lady of the house had the key. Tea drinking then was quite a ceremony, reserved for the evenings. At breakfast everyone drank beer!

8. Compared with the past, in England today \_\_\_\_\_.  
A) more and more people prefer tea to beer.  
B) tea is regarded as a luxury.  
C) tea is very cheap and commonly available.

A) clothes B) suit  
C) dress D) wear
17. I'm very \_\_\_\_\_ to you for your help.  
A) grateful B) agreeable  
C) pleased D) thanks

Some experts believe that robots will be able to do jobs, which at the moment only human beings can do; however, there are also others who disagree. One London \_\_\_\_\_ Company,

UAS has already developed machines that can be employed as 'home - helps' for old people unable to look after themselves and who are living on their own. These machines

can now carry out such things as cook eggs and clean the floor, and the company says that future models will be directed by simple voice instructions and controlled by a 'brain'. Yet it is believed that we have a long way to go before we can develop truly intelligent machines.

- 18.** We understand from the passage that although robots can do certain jobs .....
- A) old people are still unable to look after themselves.
  - B) these can not be done by human beings.
  - C) there are few others which cannot be done by robots.
  - D) there are still many others which can only be done by human beings.

- 19.** The London company hopes to make a robot soon.....
- A) that will respond to spoken orders.
  - B) with a simple voice.
  - C) which will give simple instructions.
  - D) to clean the floor of old people.

- 20.** We can infer from the passage that in developing intelligent robots.....
- A) man has made big advances.
